

Registration

Online Registration

Online registration is available at

<http://fs18.formsite.com/pharbison/form656093485/index.html>

Registration Form

Here is the link to download a registration form.

<http://www.faccc.org/images/GreatTeachersSeminar08-10.pdf>

College Payments

If the college is paying for your registration you still need to send in a registration form. Please note on the form that your college will be paying. If you are requesting a single room you need to send in the additional \$275 with your registration form. When you receive your college purchase order or check either mail it in advance or bring it to the seminar. If the check will not be ready in time please notify the FACCC office and give us the contact information of the person preparing the purchase order. It will still be your responsibility to follow up with your college.

Multiple Registrations

If you are registering multiple faculty/staff please fax us a registration form. If you have all the attendee's names available please have the faculty/staff fill out all of their information. If you don't have the attendees names yet simply notify us as to how many people you are reserving a space for. Once you have all the names we will need those individuals to completely fill out their information.

Questions

If you have additional questions or special circumstances please contact Program Director Silvia Flores (916) 447-8555 or email at sflores@faccc.org.

Mail or fax to:

FACCC Education Institute
