

Member Benefits

FACCC (The Faculty Association of California Community Colleges) represents the interests of all faculty members, part-time and full-time at the state level. We offer many discounts and benefits for our members and are adding to this list on a regular basis.

Here are just a few perks available to FACCC members:

Delta Dental Insurance: FACCC is proud to offer our members Delta Dental Insurance with affordable rates. DeltaCare USA is our prepaid plan that features set co-payments, no annual deductibles and no maximums for covered benefits. When it comes to dental health plans, you want benefits that fit the needs of you and your family. Delta Dental PPO and DeltaCare HMO both offer comprehensive dental coverage, quality care and excellent customer service. Each plan has its own advantages.

Pre-Paid Legal Plan: Administrative Hearing Legal Services is unique to other Pre-Paid plans by covering up to eight hours of preparation for hearing or actual hearing time at no additional cost for pre-termination hearing each membership year. *Preventive Legal Services* include unlimited toll-free telephone consultations with an attorney for personal and business questions, personal letters and phone calls on your behalf, personal contract and document review, will preparation and annual updates. If you need to hire an attorney, you may be eligible for a 25 percent discount. Even if it's only to ask for information about your legal rights, the potential savings through the pre-paid legal concept can be substantial. As a FACCC member you have access to affordable prepaid legal service that includes: , Preventive Legal Services, Motor Vehicle Legal Expense Services, Trial Defense Services, IRS Audit Legal Services as well as several other services. A substantial discount is available to FACCC members.

FACCC MBNA Platinum Plus MASTERCARD: No annual fee. Show your support for FACCC with every purchase.

'09-10

BenElect Medical Insurance: BenElect offers the following plans for our FACCC Members:

1. Flex Shield
2. CriticalMed Plan Coverage for a set-limit of catastrophic care.
3. Deductible Assist
4. PatientPlus Card

While not a major medical plan, BenElect can potentially save thousands off regular care with BenElect.

Life Insurance: Most of us realize that ensuring an adequate level of life insurance, is essential to providing financial security for our families. Without life insurance, your family's future could be in jeopardy. This plan provides coverage in units of \$25,000 up to a maximum of \$500,000. You may apply for coverage for your spouse up to the same amount of coverage for which you are covered. You may select a plan for each of your eligible children, regardless of the number, at either \$5,000 or \$10,000 benefit amounts. Find out with your FACCC membership, how affordable life insurance can be.

Accidental Death and Dismemberment Plan (AD&D): While you may not always be able to prevent accidents from happening, you can prepare for the financial consequences that are associated with sudden accidental injury or death. This Family Accident Insurance Program can provide an economical way to provide for burial expenses, mortgage payments, educational goals and even medical expenses. We have teamed with professionals to offer deep discounts for group AD&D plans.
