

**FACCC POSITIONS ON BALLOT INITIATIVES
NOVEMBER 8, 2005**

Proposition	Description	FACCC Position	Rationale
73	Parental notification of minor's termination of pregnancy	NEUTRAL	Outside FACCC's mission
74	Extend K-12 teacher tenure from two to five years	OPPOSE	Concern that next attempt will be cc faculty tenure; improper subject for initiative (should be legislatively deliberated)
75	Requires union members to positively approve use of dues for political activity	OPPOSE	Current law affords sufficient protections; measure meant to hamper union participation in political process
76	Eviscerates Prop 98 guarantee; slashes spending	OPPOSE	Potential community college costs of \$400 mil. per year; provides governor with unilateral power for budgetary decisions
77	Redistricting Assembly, Senate, Board of Equalization and Congressional lines	OPPOSE	Not tied to a census; liable to be held up by the courts
78	Pharmaceutical industry sponsored voluntary prescription drug discount measure	OPPOSE	Designed without substance; true purpose is to obfuscate issue and defeat Prop 79
79	Health Access and consumer groups sponsored measure to create prescription drug discount program	SUPPORT	Likely to benefit faculty in collective bargaining discussions
80	Energy regulation	NEUTRAL	Disparate impact on community colleges
