## LEGISLATIVE

## Assembly Advances FACCC Priority Bills on Mental Health, Office Hours, Parental Leave; Anti-Faculty Measure Fails

### Faculty

FACCC-sponsored **AB 2069** (Medina) would require the provision of paid part-time faculty office hours on districts' Student Success Scorecards. The measure passed the Assembly floor on a 77-0 vote and is pending referral in the Senate.

CFT/CTA-cosponsored (FACCC-supported) **AB 1690** (Medina), pertaining to seniority and rehire rights for part-time faculty, passed the Assembly floor on a 52-26 vote and heads to the Senate for consideration. FACCC-opposed **AB 2214** (Harper) would have created onerous new reporting requirements for faculty who write or review textbooks. The measure was held by the Assembly Appropriations Committee.

### Mental Health Services

FACCC-cosponsored **AB 2017** (McCarty) would create a matching grant program for public four-year universities and community colleges to expand their mental health services. The bill passed the Assembly floor on a 77-0 vote and is pending in the Senate.

### Homeless Students

**AB 1995** (Williams) would provide homeless community college students access to shower facilities on campus. The measure passed the Assembly floor 67-8 and will be heard in the Senate.

### Financial Aid

**AB 1721** (Medina) would promote access and affordability increasing Cal Grant awards. The bill passed the Assembly 73-4 and moves to the Senate.

**AB 1892** (Medina) would have increased the amount of the Cal Grant C award (for CTE students) and made additional changes to the Cal Grant program. The measure was held in the Assembly Appropriations Committee.
