FACCC ENDORSES GAVIN NEWSOM FOR GOVERNOR

SACRAMENTO, Calif. – The Faculty Association of California Community Colleges, the statewide professional membership association that advocates solely for all California Community College faculty, has voted to endorse Gavin Newsom for governor in the November 2018 Election.

“Gavin Newsom understands the significance of our community colleges and the role that faculty play not just in instruction, but the development of policies that benefit students,” noted Executive Director Jonathan Lightman. “FACCC is pleased to join others in the education community in support of Newsom’s campaign and looks forward to his leadership on strengthening public higher education in California.”
