Advocacy

FACCC PAC Report  Laura Alarcón

Laura went over the activities of PAC throughout the year starting with the November 2020 elections. PAC partnered with two local unions, Foothill-De Anza Faculty Association and the Los Angeles Faculty Guild, to financially support student interns to organize students and faculty to achieve FACCC’s election goals. The PAC prioritized supporting Propositions 15 and 16 as well as FACCC PAC endorsed candidates running for the legislature trustees boards. While the propositions were unsuccessful, a majority of trustee and legislative candidates were successful. Laura thanked past president Debbie Klein for her support during the election cycle.

PAC had a dedicated session at the Advocacy & Policy Conference. The purpose of this was to cover all the work PAC did in the previous election cycle. It also wanted to increase engagement in the FACCC PAC.

FACC Position on the Recall Election  Evan Hawkins

Evan noted the recall of Gavin Newsom has been qualified to be put on the ballot. No date has been set so far as to when this would happen. Positions on statewide and constitutional officer elections must be voted on by the board.

Motion was made to oppose the recall.

Strategic Planning

Debbie began the process of creating a community agreement for events and board meetings. An initial version was created by the executive committee, but the committee asked the board to review it further.

The board split into 4 different groups analyzing the four sections of the community agreements; Authenticity and Respect, Self-Awareness, Presence, and Patience, Collegiality and Feedback and Honor the Work and Commitment of the FACCC Board.

It was suggested the Executive Committee take all the comments and update the document and bring it back to the September meeting.
