The Board of Governors shall assist Association Officers in the discharge of their duties and shall have the authority set forth in the California Corporation Code to take any member action required for the adoption of amendments to the Articles of Incorporation.

Section 2. Composition. The Board of Governors shall consist of the following members of this Association:

- (2) The terms of office of Governor - College Size and the Governor for Retired Faculty shall be two years, to begin on June 15. The terms shall be arranged in such a manner that three College Size positions shall be vacated each year. With the exception of ascension to office by appointment, as defined in Article V, Section 6f, no

2. The Contract Member union holds an internal election to determine who it will assign to serve as that Contract Member union's Designated Representative who will then be seated on the Board pending approval by majority vote of the Board.
3. The Contract Member union determines it will select neither of these options, but rather will participate in the regular FACCC election process. In the event that the Contract Member union is without a Designated Representative after the election concludes despite having run a candidate or candidates for any of the positions described in paragraphs (a) and (b) above in the most recent election, the Contract Member union shall designate a member to serve as that Contract Member union's Designated Representative to be seated on the Board, pending approval by majority vote of the Board.

In each case, should the nominee not receive Board approval, the Contract Member union shall have the right to repeat the nomination/approval process until a representative is seated. Note that an unrepresented Contract Member union shall forfeit
