1. **2023 Bill Package Discussion - Bills to be presented at October board meeting**
 - **Part-time Faculty - workload reduction evident - Research this for the 2024 package**
 - i. Prohibit colleges from charging PT faculty for parking
 1. Expand to students
 2. Needs more research
 - **Centralizing healthcare funds - Put together study or committee to figure this out**
 - i. Would work with our labor allies on this
 - ii. Investigate COBRA option
 - iii. Concerns about local autonomy
 - Compensation for professional development and shared governance
 - **Expanded leave (budget ask aligned with childcare ask)**
 - Pregnancy/birth leave - Committee recommends a specific bill
 - **Academic freedom**
 - CCC faculty rights to academic freedom must be collectively bargained
 - AF is an accreditation requirement but is not necessarily protected
 - Some districts (College of the Redwoods) have strong AF protections in their union contracts that may be worth codifying.
 - Is there a way to expand in the 10+1 where boards can't create this without faculty buy-in?
 - **Enrollment bill**

- Repeatability of courses (Title 5 regulation)
- Funding for embedded tutors
- Data requirements and timeline
- Expansion of BA degrees - target healthcare sector, region
 - Define “duplication” of programs what does “intersegmental agreement” mean? Consultation? Or CSU approval.
- **Supporting students:**
 - Book store contracts
 - Undocumented students can't do internships
