- FACCC Executive committee approved partnership with CPFA for the event.
- CPFA will commit to IT help, speakers, promoting the event, helping with workshops.
- Topic and Panel ideas:
  - Different voices/topics represented on the panel: expert panel and/or faculty panel (CalSTRS, EDD person, John Govsky, attorney, etc.)
  - Possible concurrent sessions/panelists' focus: legislative efforts; edu union collective action; Covid consequences; Part-time life in the wake of COVID-19?
  - Should the experts be the panelists? Or, we could have the experts one day and faculty advocates the next.

  - Deirdre to reach out to other committees and see what they have done in the past
  - Timeline - consider attendees who might be burnt out on Zoom calls

- 3 hours on both days might be too much.
  - 6 topics, 3 breakouts for each day?
- Include networking time: Saturday, 9-9:45am Coffee & Conversation and possibly at the end of Friday sessions
